

JOIN NOMENUS!

Nomenus exists to create, preserve and manage places of cultural and spiritual sanctuary for Radical Faeries and their friends to gather in harmony with nature for renewal, growth and shared learning.

Founded in 1987, Nomenus is a nonprofit 501(c)(3) religious organization (“church”). Nomenus serves a regional and national community by stewarding Wolf Creek Sanctuary in Southern Oregon as a sacred space dedicated to queer liberation and spiritual growth, and to its founding intention as a sanctuary for Radical Faerie faggot brotherhood.

Supporting members are Radical Faeries or friends who support Nomenus’ mission, values, and agreements and make a donation of any amount.

Active members additionally make a self-defined service commitment and agree to learn and practice consensus decision-making.
